A FEW COMMENTS

The 2014 National Matches were fired at the Beachburg Gun Club. Their new clubhouse has advanced substantially from last year and we used it as the stats office for the match. (They do still have a lot of work to do finishing it up.) Their shooting facility is still excellent - just about the only one left in the country with target boxes. We give sincere thanks to the club and all members who help out during the match - and to the ladies who supply the food and all the pies. Once again the weather was about as good as one could wish for - the rain confined itself to the evening hours, and temperatures were warm but not uncomfortable.

It's too bad the number of competitors was low (at 81 we did improve a little on last year) - everything else was just about ideal. As in 2013 we used decimal scoring in the Air Rifle and ISSF Prone matches; and the new Finals format in Air Rifle. We tried out a version of the new Finals in the 3-Position and Prone matches with Finalists shooting the full course plus a tie-breaking shot - then scoring all targets and implementing the elimination rounds during the data entry. It worked after a fashion.

Note that with the decimal scoring in ISSF Prone and Air Rifle - and with the Finals following the ISSF format the records in these matches restart in 2013. And because in Prone we fired only two courses instead of three this year even the 2013 results don't apply. Only the ISSF 3-Position and Sporting and Hunting Rifle matches followed the old rules.

I have tried to update the match records in these results, but some may have been missed in the rush to get the results out. Please bear with me for any omissions - I'll be going over everything again later.
