

CANADIAN NATIONAL MATCHES MATCH RECORDS - CURRENT

General Comments

- 1) This is a listing of Match Records in the Canadian National Matches compiled from the results from 1989 onward (ISSF matches) and 1996 onward (Sporting Rifle matches). (The 1989 results were not as complete as the remaining sets.) It is believed to be accurate, but some errors or omissions might have crept in.
- 2) The ISSF target was changed in 1989 and the Sporting Rifle target in 1996, so older scores are not comparable.
- 3) This listing includes only events and categories that are part of the current program.
- 4) The following is a brief rundown of the changes to the disciplines over the years::

1994: Finals were added to the ISSF Prone, 3-Position and Standard Rifle matches.
The ISSF Prone match became a 4x60 shot Iron Sight match. (it was previously 2x60 shots Iron Sight, 2x60 shots Any Sight.)

The ISSF Prone match became 3x60 shot courses (Previously 4x60 shots.)
The UIT Standard Rifle match was discontinued (by the UIT), and replaced with the UIT Sport Rifle match for Ladies only.

1998: The Wakefield trophy match was added.

1999: Introductory Sporting Rifle was added.
Junior Pairs in Air Rifle was added.
