FEDERATION DE CANADA DU TIR  
NATIONAL MATCHES  
TORONTO INTERNATIONAL TRAP & SKEET CLUB  
(2015 Pan-Am Games Range)  
JULY 29 - AUGUST 7, 2016**

The 2016 National Matches encompassed both Rifle and Pistol disciplines - for the first time I am aware of; and certainly the first time in many, many years. It was held on the range built for the 2015 Pan-Am Games and most events were fired on electronic targets - very definitely for the first time. (Standard Pistol and Center-Fire Pistol were fired on paper targets at th Sharon Gun Club; Sporting and Hunting Rifle were fired on the 50M Pan-Am range with target frames in place of electronic targets. Attempts are being made to operate Sporting and Hunting Rifle on the electronic targets - maybe they'll be ready next year.)

All in all things went very well - we had some glitches; it was a learning experience for many of the officials and competitors. In particular we had difficulty getting scores for the Rapid-Fire and Women's Sport Pistol events on the last two days of the match. We hope that next time these will go smoother.

The weather for the match was generally excellent; it was a little warm toward the end in keeping with the hot dry summer we have had.

We thank all the shooters who competed this year and put up with our problems. And we thank all the officials who operated the match and managed to cope when things didn't go as well as they might. It is their dedication that makes matches like this possible.
