FEDERATION DE CANADA DU TIR  
2019 NATIONAL MATCHES**

**LOU ANDERSON TRAINING CENTRE - COOKSTOWN,  
ONTARIO**

**August 24 - August 31, 2019**

The 2019 National Matches were held on the range built for the 2015 Pan-Am Games. All events were fired on the electronic targets except for the Hunting rifle, where paper was used. Most Hunting rifle shooters use scope sights and the electronic targets have no centre aiming point for cross-hairs.

The weather good for the whole match. We had no rain and the humidity was moderate. For the first time we held an ISSF Mixed Air Rifle event as a full medal event with Canadian Champions declared.

There was a change to the event schedule this year with Sporting/Hunting Rifle held first followed by Air Rifle, ISSF 3-Position then the ISSF Prone event. This meant a lot of changes to the range and thanks must go to all of the volunteers and competitors who helped with the set-up. Special thanks go to the all of the ISSF Prone competitors and volunteers who had the range completely torn down within 1 hour or so after the last shot.

Attendance was down overall with the biggest drop in the ISSF Prone event. All other events had a slight increase in participation.

We must thank all of the shooters who competed this year. Also we thank all of the officials and volunteers who took the time to make this match a success. Without their help, this match would not be possible.
